NEWS IN BRIEF

Broadwalk Lights

We know how welcome the additional lighting between the Cathedral and the Harnham Gate, along with the Broadwalk has been.

Following numerous problems last winter, I am pleased to report that we have managed to source some new armour plated bollard lights. We are working to have these in position before the nights draw in.

Needless to say we shall be extra vigilant over the coming months to ensure that they continue to provide additional security and illumination for pedestrians using the pathway at night.
