The Cathedral's **Let's Go Green!** leaflet has a section on My Lifestyle. The leaflet is available on the Cathedral Community Forum noticeboard in the South aisle. One question posed by the leaflet is 'Could I do more to avoid food waste?'. Did you know that one third of all food in the UK is wasted. Every year wasted food in the UK represents 25 million tonnes of carbon dioxide emissions. This equates to the emissions produced each year by 10 million or 1 in 3 cars on our roads. More information on how to reduce food waste is available from WRAP, the Government funded agency on food waste (wrap.org.uk). Food indeed for thought. Cathedral Community Forum
