Discussion questions

- 1) Say your school set up a trial by jury system for when students misbehaved, how successful would it be? Who would/should be on the jury? What consequences may fall out of this system?
- 2) If there were no trial by jury, how would that affect
 - i) the victim
 - ii) the defendant ?
- 3) Is trial by jury the fairest method - what is a workable alternative?
- 4) What possible social or emotional impact could there be on a person taking up jury service?
- 5) Why should we do jury service?
