**February Prisoner of Conscience:** Dr Hussam Abu Safiya has been detained for speaking out about Gaza's decimated healthcare sector. On 27 December 2024, the Israeli military raided Kamal Adwan hospital in Mashrou' Beit Lahiya and arbitrarily detained its director, Dr Hussam Abu Safiya, along with other medical staff and patients. The raid put the hospital, the last functioning major medical facility in the North Gaza governorate, out of service. For months, Dr Hussam Abu Safiya has been the most prominent voice of Gaza's decimated healthcare sector. Israeli authorities must immediately release him. Pending his release, they must disclose his whereabouts and grant him access to a lawyer and ensure his protection from torture and other ill-treatment, and provide him with adequate healthcare.
