May Prisoner of Conscience: Mohamed Tadjadit, known as the poet of the Hirak movement, has been arbitrarily detained since January 2025 solely for exercising his rights to freedom of expression and peaceful assembly. He is awaiting trial together with 12 other activists on state security charges punishable by long prison terms and the death penalty, solely for peacefully advocating for political change. Their trial is scheduled on 30 April 2026. He is already serving a two-year prison sentence following his conviction on unfounded terrorism-related charges, upheld on appeal in January 2026. Algerian authorities must immediately and unconditionally release him and drop all charges as they solely stem from the exercise of his human rights.

Community Youth Programme The Cathedral is delighted to announce a new strand of work supporting vulnerable young people in our community. Working with Wyvern St Edmunds School in Salisbury and Young Swindon and Wiltshire, a local charity dedicated to youth mentoring, we are currently seeking to employ a Community Youth Programme Manager to lead this work supporting young people at risk of persistent absenteeism and exclusion to overcome barriers they may face and enable them to thrive. Please visit the Cathedral website to read the job description.

South Transept Door Access A new Paxton access system will shortly be activated for use on the South Transept Door to the Cloisters. Please be aware that access through this door will be restricted during visiting hours; during these times, access will be through the Consistory Court only.
