**An Introduction to the Letter to the Hebrews** Weds 8 July, 7pm, Trinity Chapel. The writer to the Hebrews ranks among the most accomplished first-generation Christian theologians. However, modern readers can find Hebrews difficult to access, with its complex arguments and allusions to ancient Jewish culture. Kenneth Padley, whose doctorate explored readers of Hebrews in Tudor and Stuart England considers the original message and context of this biblical book, and unpacks what it might say to us about Jesus, worship, and our ultimate destiny. **Summer Sermons** Resonating with the theme of Joyful Noise, this year's series celebrates the 'Secret Songs of Scripture'. These are verses hidden within the Bible which once circulated as independent poetry or hymns or have been shaped into canticles by later editors. From 26 July–13 September the clergy will explore four from the Hebrew Scriptures and four from the New Testament. From 7–8pm on the Monday following each sermon there will be a Zoom for those who wish to delve deeper into the reading and reflections. To receive the Zoom code, please enter your email address at [www.salisburycathedral.org.uk/summer-sermons/](http://www.salisburycathedral.org.uk/summer-sermons/) If you received the link last year you don't need to sign up again. This webpage also lists the preachers, dates and Bible readings.

**Exploring Faith Survey** The Cathedral is reviewing how we can support people in their exploration of faith. Please would you help us by answering a 5-minute survey? A link to the survey is sent to all members of the Worshipping Community Roll and volunteers who have registered an email with us.
