Summer Sermons Resonating with the theme of Joyful Noise, this year's series celebrates the 'Secret Songs of Scripture'. These are verses hidden within the Bible which once circulated as independent poetry or hymns or have been shaped into canticles by later editors. From 26 July–13 September the clergy will explore four from the Hebrew Scriptures and four from the New Testament.

From 7–8pm on the Monday following each sermon there will be a Zoom for those who wish to delve deeper into the reading and reflections. To receive the Zoom code, please enter your email address at www.salisburycathedral.org.uk/summer-sermons/ If you received the link last year you don't need to sign up again. This webpage also lists the preachers, dates and Bible readings.
