October Prisoner of Conscience: On 27 December 2024, the Israeli military raided Kamal Adwan hospital in Mashrou' Beit Lahiya and arbitrarily detained its director, Dr. Hussam Abu Safiya. Since then, he has been held without charges or trial, under orders that have been indefinitely renewed based on the Unlawful Combatants Law. On 16 June 2026 Israel's Supreme Court upheld the latest detention order against him. Since 3 June, Dr. Abu Safiya has been held in solitary confinement and denied access to adequate healthcare. Israeli authorities must immediately release him, ensure his protection from torture and other ill-treatment and provide him with adequate healthcare.

Sarum Master Bible Many will remember the Cathedral's acquisition of the Sarum Master Bible in Dec 2024, following a fundraising campaign run by Friends of the Nations' Libraries. The illustrated manuscript Bible was made probably in Salisbury in the 1240s or 1250s. The manuscript will be on display in the North Quire Aisle from 26 Oct–2 Nov (incl. October half-term), and 9–30 Nov. Please note that this space is not open around or during some services and the manuscript will not be on display 3–8 Nov, due to Sarum Lights.

Salisbury Musical Society: Elgar's 'The Apostles' Majestic and triumphant, dark and dramatic, tender and lyrical, 'The Apostles' is one of Elgar's great choral composition yet it is not frequently performed. The sheer scale of the work demands an impressive musical force: a large choir, professional symphony orchestra and six soloists. This concert promises a memorable evening of music on the scale Elgar intended. Sat 14 Nov, 19:30 at the Cathedral. Tickets – www.salisburymusicalsociety.org.uk

An Introduction to the Gospel of John Some of the most famous stories and sayings of Jesus are only found in the fourth gospel. This evening is an opportunity to immerse ourselves in John's stories and values. 7pm, Tues 17 Nov, led by Kenneth Padley. Booking via Cathedral website/entrance desk. £10 (adult) £5 (student) U18 free. If you would like to attend but cost is an issue, please email chancellor@salcath.co.uk.

Heating We are carefully monitoring temperatures as we head into autumn. We plan to turn on the Cathedral heating towards the end of October. Please dress appropriately during this transition period. This arrangement supports our environmental aspirations: heating the Cathedral for one day emits as much carbon dioxide as it takes 24 mature trees a whole year to absorb.

Regular Giving Update Thank you to all who responded to the Cathedral's giving campaign in May. Our aims were to promote regular giving through the direct debit Parish Giving Scheme (PGS), to encourage existing donors to review their support, and to highlight the importance of legacies to the Cathedral. Since the campaign, we are pleased to report that overall regular giving is up 10% in real terms, a further 10% of regular donors have transferred from standing order to PGS, and we have had some positive and inspiring conversations about legacies. Since the 2023–24 financial year, overall regular giving is up more than 20% in real terms, the total number of regular givers has increased 15%, and 60% of regular donors now use PGS. To find out more about becoming a regular donor, please search online for 'PGS Salisbury Cathedral'. Thank you again for your support of this important part of our life and ministry together.

Volunteer Gardeners Our small team of Cathedral Close gardeners are looking for an extra member or two to join their happy team. The role includes tidying up and maintaining borders in several locations around the Close. They meet on a Tuesday from 09.45–11.15. A degree of physical fitness will be an advantage.
