What is Sarum Lights: Great Journeys about?

From the earliest movements of humanity to the journeys of animals, from ancient maps to modern transport, and from epic adventures across the world to the journeys we make through our own lives, *Great Journeys* invites you to see the cathedral in a completely new way.

Sarum Lights: ***Great Journeys*** **is created by Luxmuralis (luxmuralis.com)**

We are grateful to Trethowans for their generous support of this event.

Arrival

Please allow plenty of time to arrive for your booked slot. Visit the outside experience first (10min show), then you can explore inside at your leisure.

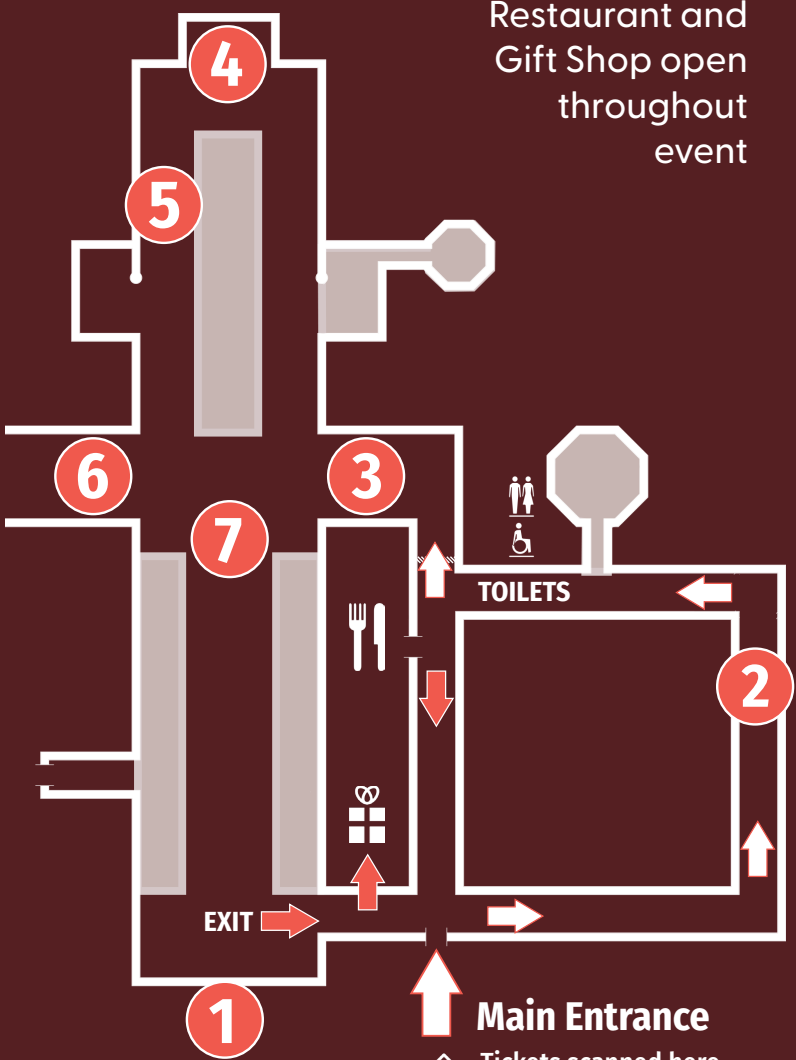

There is no parking on site. The nearest car parks are Crane Street and New Street.

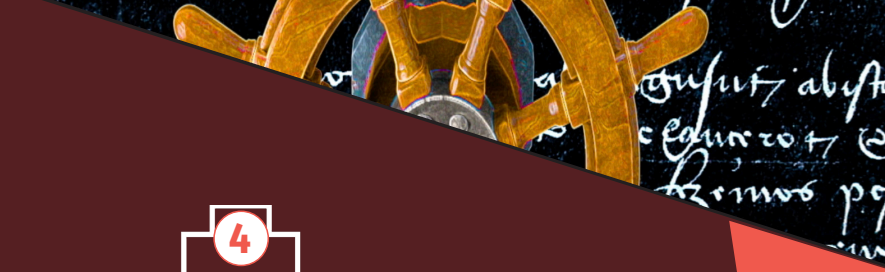

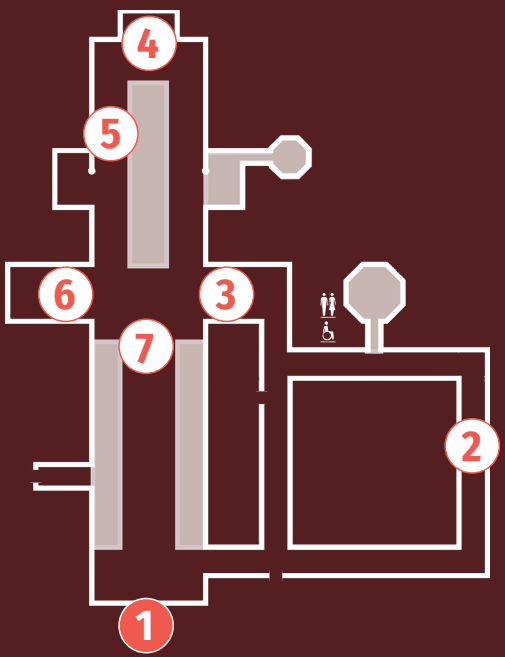

Map

Due to the large crowds and low light levels, we ask that you do not bring your dog, unless it is an assistance animal.

1 WEST FRONT

When World's Collide

Duration: 10 mins

Begin your journey outside the magnificent West Front – where the Cathedral becomes a canvas for some of history's most extraordinary adventures. Encounter glimpses of legendary journeys and the people who dared to venture beyond the known world. From From pirates of old to great explorers. A spirit of adventure, the courage to reach out and the question of what might lie beyond the horizon.

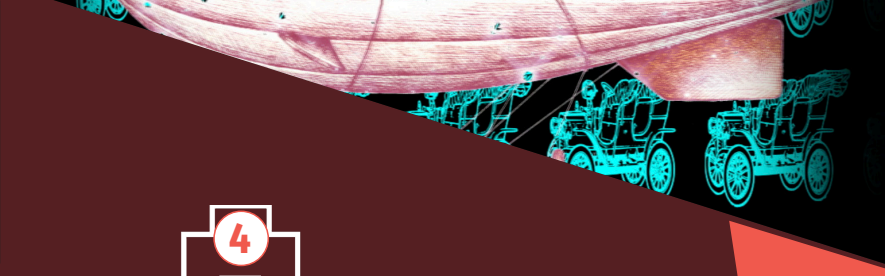

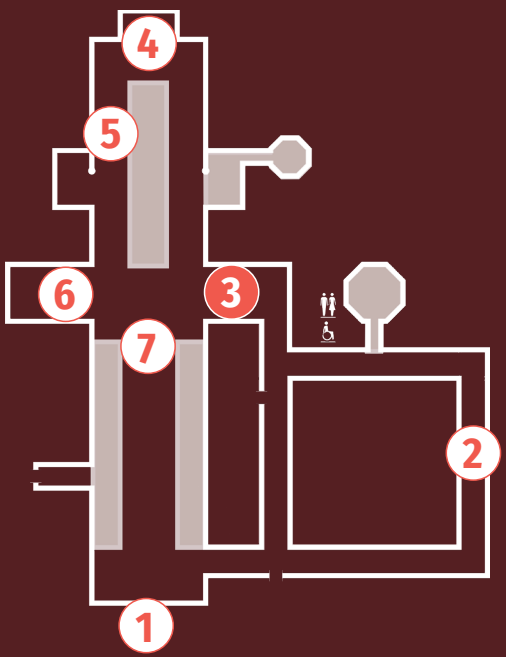

2 CLOISTERS

Footsteps Across the World

Tickets scanned here.
Please have yours ready to present.

Travel back to the earliest chapters of human exploration. Maps, patterns and ancient imagery bring to life the curiosity and instinct that have driven humanity to explore the unknown. Words from some of the world's great travel writing emerge around you, surrounding you with voices, stories and dreams of distant places.

3 SOUTH TRANSEPT

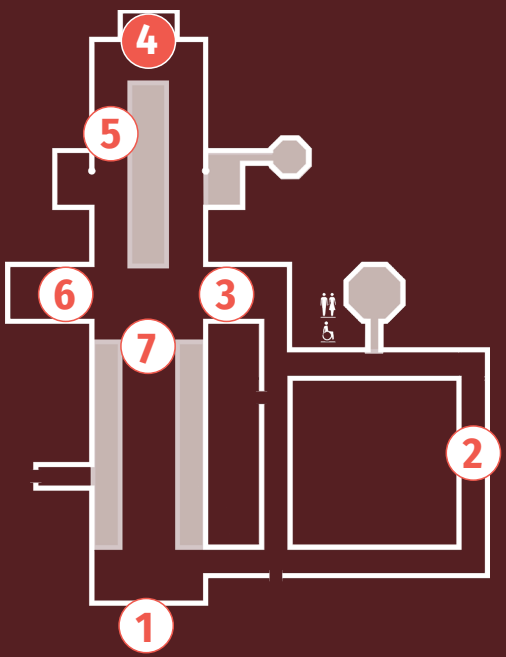

On the Move

All aboard for a whirlwind journey through the evolution of travel.

From Viking longboats cutting across the water to the machines that would eventually take us into the skies, experience the changing ways humans have travelled, explored and connected.

Fast, energetic and full of movement, this is a whistle-stop adventure through the history of modern transport.

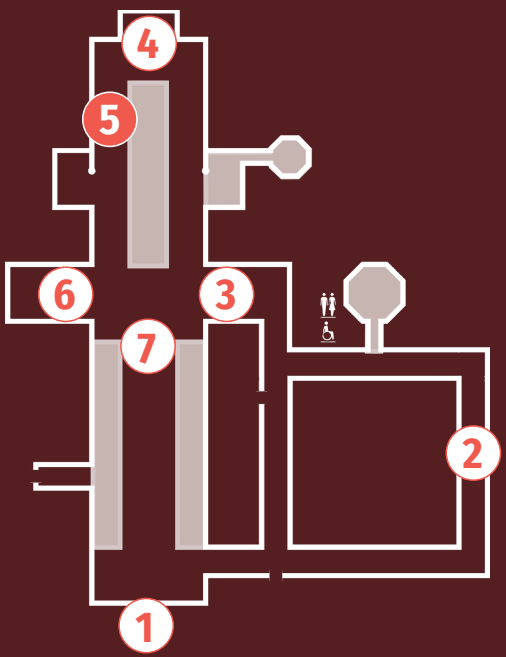

4 TRINITY CHAPEL

Wild Journeys

Not all journeys are made by humans.

Look beyond our own world and discover the extraordinary journeys made by creatures across the planet. From fish beneath the water to birds and butterflies in the sky, and great African animals crossing vast landscapes, this beautiful and poignant installation celebrates the instinct to migrate.

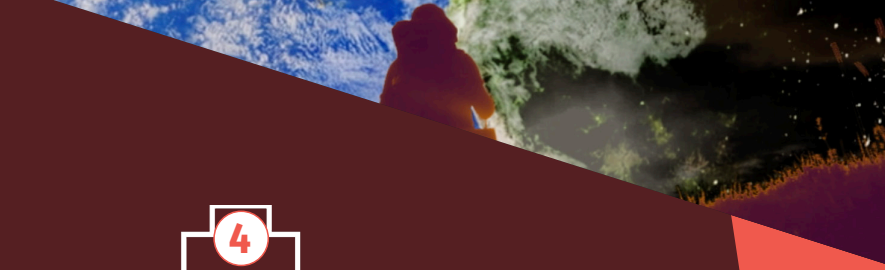

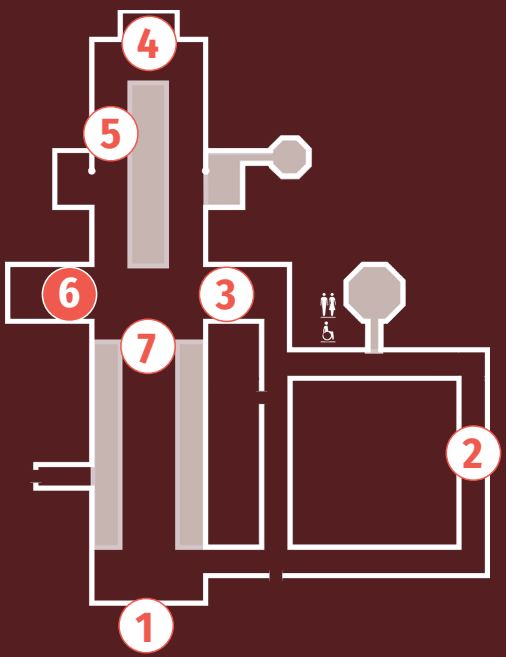

5 NORTH QUIRE AISLE

Mapping the Unknown

Before satnavs, smartphones and flight paths, there were maps.

Become immersed in generations of explorers as they attempt to understand, record and navigate the world around them. These remarkable maps chart more than places, they reveal changing ideas, ambitions and discoveries, showing how our picture of the world has evolved over time.

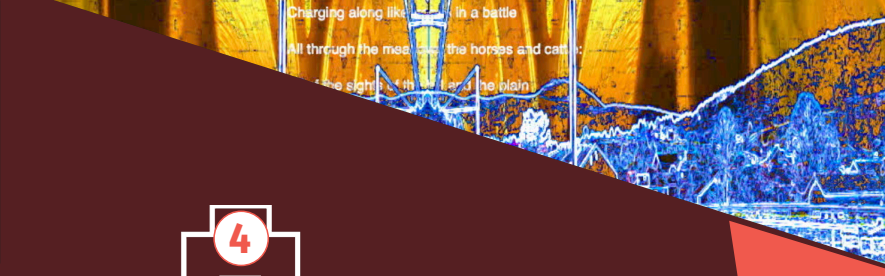

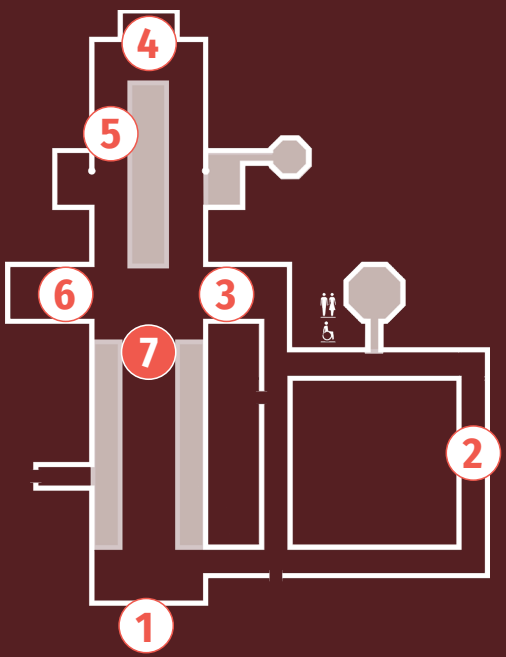

6 NORTH TRANSEPT

Your Journey

Where are you going? This is a journey of a different kind, one that turns the focus back towards you. Take a moment to reflect, explore and make your own connection with the story of *Great Journeys*. Explore and interact with this art installation inviting you to think about journeys through life: where we have been, where we are now and where we might go next.

After Sarum Lights finishes, the display in this area will remain on view in the Cathedral for one extra week.

7 NAVE

Great Journeys

Enjoy a spectacular finale, as the cinematic soundscape and breathtaking large-scale projections carry you on a whistle-stop journey around the world, from the rush and rhythm of modern life to the places, people and communities that connect us.

As light fills the cathedral around you, the journey becomes personal: a reminder that every great adventure begins with a single step beyond the familiar. This is the moment to stop, look up and let the journey carry you.

Dedication of the 'Your Journey' display

At Choral Evensong on **Monday 9 November** there will be an opportunity to reflect further on the theme of 'Great Journeys' and to pray for the situations we experience in our journey through life. The display created during Sarum Lights (at location 6 in the North Transept) will be dedicated as part of the Evensong service.

All are welcome.
